

Established 1979

RENNES: Sat 30 JUNE - Sat 14 JULY 2018

*This programme provides the Irish students with the opportunity to **practise** their **spoken French** in a natural French environment, as they participate in sporting activities in the company of French students, with morning French classes taught in **VERY SMALL GROUPS**.*

MORNING FRENCH CLASSES

Emphasis is put on **fluency** and **basic communication skills** (rather than on grammar or on written French, done at home). This helps students recognize French pronunciation, gain confidence and love the language.

Our **VERY SMALL CLASSES (from 6 to 12 Irish students per Centre)** maximize personal attention and allow our experienced native teachers to attend to the particular needs and problems of each individual.

Teachers use an **ORAL** approach, in conjunction with current documents, [conversation, role-play, French films/TV]. Cultural visits are prepared [PowerPoint, treasure hunts]. Some classes may be shared with the French students [debates, interviews, polls, workshops]. All levels of French are catered for.
