

# Surf and Spanish

Learning Spanish WITH Spanish friends

From 01 to 15 July 2022

European Private School

An experiential learning programme that provides the Irish students with the opportunity to **practise their spoken Spanish** in a natural Spanish environment, by participating in sporting and cultural activities in the company of Spanish students.

## GAIN FLUENCY AND CONFIDENCE IN SPANISH

Emphasis is put on **basic communication skills, i.e. oral and aural** (rather than on grammar or written Spanish, which is the norm at home). This helps students become familiar with Spanish pronunciation, gain confidence and a love of the language and of the Spanish culture.

Teachers use an **ORAL** approach, in conjunction with current documents, [conversation, role-plays, treasure hunts, debates, interviews, polls, workshops, Spanish films/TV etc.].

As a learning tool/resource, the vocabulary of the sporting activities and of the cultural visits are prepared beforehand.

Daily tuition maximizes personal attention and allows our experienced native teacher to attend to the particular needs of each individual.
